Where parents and teachers connect and students thrive.

Are You Interested in Being a Class Parent?

Being a class parent is a richly rewarding experience that takes time, effort and dedication to succeed. Two class parents for each class (one for each 6th grade class) will be selected by random lottery. The responsibilities of the class parents include:

- Attendance at a mandatory class parent meeting on Thursday, September 15th at 10:30 AM (after the Welcome Back Tea) and monthly PTG meetings
Introduce themselves to the class and collect dues on Back to School Night, Thursday, September 29th
Coordinate parent chaperones/volunteers for field trips, parties and activities as requested by teachers and committee chairs
Plan class parties throughout the school year as directed by the teacher
Gather class photos throughout the school year to be used in the 6th Grade Yearbook
Maintain funds for use at the year end grade's class party
Coordinate snacks/refreshments for monthly PTG meetings
Reach out to new families in the class throughout the school year as a resource of information regarding school activities, meetings, volunteer opportunities, etc.

Please be aware of the following when signing up:

- You may only be the class parent for one child at a time
If you are selected to be a class parent at Goosehill Primary School, you can not be a class parent at Lloyd Harbor School
Priority will be given to parents who have not yet been a class parent

Yes, I am interested in being a class parent for my child!

Please return the following to the main office, Attention: Carol Kessler by Friday, September 9th. Parents will be notified via e-mail. Any questions, please contact Carol Kessler at (917) 710-1266 or carolkes@optonline.net.
